

# Tribulation

KÅalter

Rough as the road might seem to be  
I'll be toiling on home  
I'll be myself and no one  
I'll keep trodding onA man must go through tribulation  
No matter who or where he's from  
If he's a man of understanding  
He then know that time alone will tellBut fools know not of understanding  
That's why they stumble  
Never going to their way, oh, yeah  
For wisdom is hard for themA man must go through tribulation  
No matter who or where he's from  
If he's a man of understanding  
He then know that time alone will tellBut fools know not of understanding  
That's why they stumble  
Never going to their way, oh, yeah  
For wisdom is hard for themRough as the road might seem to be  
I'll be toiling on home  
I'll be myself and no one  
I'll keep trodding onA man must go through tribulation  
No matter who or where he's from  
If he's a man of understanding  
He then know that time alone will tellBut fools know not of understanding  
That's why they stumble  
Never going to their way, oh, yeah  
For wisdom is hard for themA man must go through tribulation  
No matter who or where he's from  
If he's a man of understanding  
He then know that time alone will tellBut fools know not of understanding  
That's why they stumble  
Never going to their way, oh, yeah  
For wisdom is hard for them
