# Let Go

## Edison Glass

Singing sweetly, she passed by me
She knew, it seemed
That sound, that song was troubling meDo tell
No, no, no
Please, sir
Here we goSleepwalking, sleep, sleepwalkingLast night, I awoke to an opera house full of empty seats
Performing Einstein on the beach
You've stifled this too long and the dream inside is far too strong
You've got to, got to, learn to let go, let goOpen your lips
Let out a song
Open your heart
And let it singOpen your lips
Let out a song
Open your heart
And let it singHey, let go
Hey, let go
