

# Mama

## Ghostland Observatory

Oh mama,  
My dear friend,  
The time has come  
To leave again  
Oh mama,  
I hate to go  
And leave my love  
And leave my home.  
Oh mama,  
we'll talk soon.  
Please stay in touch  
Please stay in tune.  
Oh mama,  
this lonely road  
can be so dark  
And be so cold.
