

Crushin'

SMS

Are we crushin' tonight?
From the bed to the floor
Ooh, I know what you like
 You got that feeling
 By the look on your face
 You touch and tease me
 Now I'm ready to play
 My hands run up and down
 Your thighs and your waist
 You whisper
 Let's go back to my place
You know that you are turning me on
 When you act this way
There's so many ways to make love
 I am asking you baby
 Are we crushin' tonight?
 From the bed to the floor
 Ooh, I know what you like
 Are we crushin' tonight?
 From the bed to the floor
 Ooh, I know what you like
 Crushin' tonight baby
 Ain't nothing wrong
 With being freaky with me
We just be crushing, living fantasies
 Crushin' tonight baby
You on top of me, me on top of you
Hitting them switches in every room
 Crushing all night through
You know that you are turning me on
 When you act this way, yeah
There's so many ways to make love
 So I am asking you baby
 Are we crushin' tonight?
 From the bed to the floor
 Ooh, I know what you like
 Are we crushin' tonight?
 From the bed to the floor
 Ooh, I know what you like

When I get you home
It's gonna be some back breaking
 Love making, wall shaking
Working your body, so smooth, so soft
 We gonna ride till the wheels fall off
It's gonna be some back breaking
 Love making, wall shaking
Working your body, so smooth, so soft
 We gonna ride till the wheels fall off
 Are we crushin' tonight?
 From the bed to the floor
 Ooh, I know what you like
 Are we crushin' tonight?
 From the bed to the floor
 Ooh, I know what you like
 Are we crushin' tonight?
 From the bed to the floor
 Ooh, I know what you like
