Frivolous Tonight

XTC

Let us talk about
Some trivial things we like
A bit of this and that
Lets chew the fatPour ourselves a glass of Stout
And let our Rael Brook shirts hang out
Nothing makes us more content

To let us wallow in a bit of nonsenseWere all so frivolous tonight, tonightLets reveal our childlike nature

And leave our stocks

And invoices to rot

Lets go to potTell our jokes about mothers in law But watch him jump when she comes through the door

Oh, the party goes with a swing

When we talk about the trivial thingsWere all so frivolous tonightBut theres always one

Who wants to talk shop

Well drive him through the door

With a broom or a mopLet us tell our favorite story

About some poor chap who put it on display

Hip hooray and let the girls gather in their slacks

To talk about husbands hairy backsSome might think were a bit of a shower But this could be our finest hourWere all so frivolous tonight, tonight

Were all so ridiculous tonight
