

# Blue Hour

## The Babe Rainbow

When the sky is blue time hesitates  
We could spend our whole life waiting  
At the age of innocence  
Baby what are you doing to me?  
It's a  
It's a time of love but the night is still so lonely  
Any day any hour now  
Looks like you're walking on magic dustBlu-ueee  
Hou-rrrr  
You and the blue hourTwenty page our odyssey  
Become a stranger to me  
Love is old and love is blue  
But love is yellow too  
You don't, you don't hesitate  
When you reach the moment  
Like any colour at the dawn  
The enemies of love will fall  
Blu-ueeee  
Hou-rrrrr  
If there be nothing new
