Grace Under Fire

Emma Forman

Looks like an angel but acts like the devil
Grace is a mood
could them blue eyes have seen more than they ever should?Grace my angel why is life being cruel you
All the other children just torment youOh Grace under fire, Grace under fire, she is burning
Oh Grace under fire, Grace under fire, she is burningLong blonde hair to hide that evil smile such look of innocence
but she's devil's child, oh she is devil's childOh Grace under fire, Grace under fire, she is burning
Oh Grace under fire, Grace under fire, she is burningGrace sweet child I know you're endangered
but don't you think you should learn to love yourself
not hate yourself like you do?Oh Grace under fire, Grace under fire, she is burning
oh Grace under fire, Grace under fire, she is burning
She is burning
Oh she is burning, burning, burning
