Let's Invite Them Over

John Prine

I know why you're lonely
And I know why you're blue
You're lonesome to see him
And you long to see her tooWe're not in love with each other
We're in love with our best friends
So let's invite them over againWe've talked it over and over
And we know it's not right
We should stay away forever
But we're lonesome each nightYes, we stay away for a while
But we know in the end
We'll invite them over againWe've talked it over and over
And we know it's not right
We should stay away forever
But we're lonesome each nightYes, we stay away for a while
But we know in the end
We'll invite them over again
Let's invite them over again
