

Butterfly Wings

Machines of Loving Grace

Well, you can't place faith in material things
Material things will fail you
A hurricane triggered by a butterfly's wings
Your conspirators betray you Don't place faith in human beings
Human beings are unreliable things
Don't place faith in human beings
Human beings or butterfly wings Well, you can't place faith in a new regime
That fascist faith will kill you
A hurricane triggered by a butterfly's wings
Your conspirators betray you Don't place faith in human beings
Human beings are unreliable things
Don't place faith in human beings
Human beings or butterfly wings There's something burning
Deep inside I know
There's something inside this hole Tonight when I chase the dragon
By their fruits you shall know them Don't place faith, don't place faith
Don't place faith, no don't, no don't
Don't place faith, don't place faith
Don't place faith, no don't, no don't When I decide to live in my mind
The heart dies, oh the heart dies
Mother superior in the sky
The heart dies, oh the heart dies Don't place faith in human beings
Human beings are unreliable things
Don't place faith in human beings
Human beings or butterfly wings Don't place faith, don't place faith
(Butterfly wings)
Don't place faith, don't, don't
(Butterfly wings) Don't place faith, don't place faith
(Butterfly wings)
Don't place faith, don't
(Butterfly)
