

Kickstarts (Running Trax 2014 Edit)

Example

You want me to come over, I got an excuse
Might be holding your hand, but I'm holding it loose
Go to talk, then we choke, it's like our neck's in a noose
Avoid the obvious, we should be facing the truthStart to think it could be fizzlin' now
Kinda shocked because I never really had any doubts
Look into your eyes, imagine life without youAnd the love kickstarts again
It starts again
And the love kickstarts again
It starts againIt's the same old you, the same old me
You get bored then I get cold feet
Get high, get wandering eyes
Forget I've never, ever had it so sweetI realize what I've got when I'm out of town
'Cause deep down, you're my girl in the golden crown
My princess, and I don't want to let you down
No, I don't want to let you downYou want me to come over, I got an excuse
Might be holding your hand, but I'm holding it loose
Go to talk, then we choke, it's like our neck's in a noose
Avoid the obvious, we should be facing the truthStart to think it could be fizzlin' now
Kinda shocked because I never really had any doubts
Look into your eyes, imagine life without you
Kick-kickstarts againStart to think it could be fizzlin' now
Kinda shocked because I never really had any doubts
Look into your eyes, imagine life without youAnd the love kickstarts again
It starts again
And the love kickstarts again
It starts againKick-kickstartsIt's the same old you, the same old me
You get bored then I get cold feet
Get high, get wandering eyes
Forget I've never, ever had it so sweetI realize what I've got when I'm out of town
'Cause deep down, you're my girl in the golden crown
My princess, and I don't want to let you down
Kick-kickstarts againStart to think it could be fizzlin' now
Kinda shocked because I never really had any doubts
Look into your eyes, imagine life without you
And the love kickstarts again
