

Don't You Want Me (Project Eden Remix)

Alcazar

Don't you want me baby? You were working as a waitress in a cocktail bar
When I met you, I picked you up
I shook you up, and turned you around
Turned you into someone new Now five years later on, you've got the world at your feet
Success has been so easy for you
But don't forget, it's me who put you where you are now
And I can put you back down too Don't, don't you want me?
You know I can't believe it
When I hear that you won't see me Don't, don't you want me?
You know I don't believe you
When you say that you don't need me It's much too late to find
You think you've changed your mind
You better change it back
Or we will both be sorry Don't you want me, baby?
Don't you want me, ohh
Don't you want me, baby?
Don't you want me, ohh I was working as a waitress in a cocktail bar
That much is true
But even then I knew I'd find a much better place
Either with or without you The five years we have had has been such good times
I still love you
But now I think it's time I live my life on my own
I guess it's just what I must do Don't, don't you want me?
You know I can't believe it
When I hear that you won't see me Don't, don't you want me?
You know I don't believe you
When you say that you don't need me It's much too late to find
You think you've changed your mind
You better change it back
Or we will both be sorry Don't you want me baby?
Don't you want me, ohh
Don't you want me baby?
Don't you want me, ohh Don't you want me baby?
Don't you want me, ohh
