

# When I Said Goodbye

Mayer Hawthorne

My will is torn to pieces (pick up the pieces, yeah)  
Been feelin this way for so many days  
I wrote you a letter, this morning (I wrote you this morning, yeah)  
And tried to explain, my selfish ways Cause ever since I walked out I havent felt alive  
Im half the man that I was with you by my side  
I wish that I could dry all the tears that you cried  
(I didnt mean it) I didnt mean it, (I didnt mean it)  
When I said goodbye I took our love for granted (Took it for granted yea)  
I never realized just how much I cared  
Now Im going crazy without (Without you, Im crazy, yea)  
I call out your name, oh but youre not there Ever since I walked out I havent felt alive  
Im half the man that I was with you by my side  
I wish that I could dry all the tears that you cried  
(I didnt mean it) I didnt mean it (I didnt mean it) oh When I said goodbye  
Oh if I- I could see you just one more time (one more time)  
I would say (I would say), say exactly whats on my mind Cause ever since I walked out, I havent felt alive (Im  
not alive)  
Im half the man that I was with you by my side (you by my side)  
I wish that I could dry all the tears that you cried  
(I didnt mean it) I didnt mean it girl (I didnt mean it)  
Oh When I said goodbye
