

Beelzeboss (The Final Showdown)

Tenacious D

I am complete
Fuck Yes, you are fucked, shit out of luck
Now I'm complete and my cock you will suck
This world will be mine and you're first in line
You brought me the pick and now you shall both die Wait, wait, wait, you mother fucker
We challenge you to a rock off
Give us one chance to rock your socks off Fuck, fuck, fuck! The Demon Code prevents me
From declining a rock off challenge
What are your terms? What's the catch? If we win, you must take
Your sorry ass back to hell
And also you will have to pay our rent
And what if I win? Then you can take Kage back to Hell
What? Trust me Kage, it's the only way
What the fuck you talking about? To be your little bitch
Fine, let the Rock Off begin I'm the Devil, I love metal
Check this riff, it's fucking tasty I'm the Devil, I can do what I want
Whatever I've got, I'm gonna flaunt
There's never been a rock off that I've ever lost
I can't wait to take Kage back to Hell
I'm gonna fill him with my hot demon gel
I'll make him squeal like my Scarlet Pimpernel No, c'mon Kage, bring the thunder
There's just no way that we can win
That was a masterpiece, listen to me
He rocks too hard because he's not a mortal man
God damn-it Kage! He's gonna make you his sex slave
You're gonna gargle mayonnaise
No, unless we bust a massive monster mama jam
Dude, we've been through so much shit
De-activated lasers with my dick
Now it's time to blow this fucker down C'mon Kage, now it's time to blow doors down
I hear you, Jables, now it's time to blow doors down
Light up the stage 'cuz it's time for a showdown
We'll bend you over then we'll take you to brown town Now we've got to blow this fucker down
He's gonna rape me if we do not blow doors down
C'mon Kage 'cuz it's time to blow doors down
We'll pile drive you, it's time for the smackdown! Hey anti-Christ-er, Beelzeboss
We know your weakness, our rocket sauce
We rock the casbah and blow your mind
We will defeat you for all mankind

You hold the scepter, we hold the key
You are the Devil, we are the DWe are the D, we are the D
We are the D, we are the D
We are the D, we are the D
We are the D, we are the DWe are the D, we are the D
We are the D, we are the D
We are the D, we are the D
We are the D, we are the D, we are the DYou guys are fucking lame
Come on, Kage, you're coming with me
Taste my lightning, fucker, noOh, fuck! my fucking horn, oh no
From whence you came, you shall remain
Until you are complete again, noFuck you, Kage and fuck you, Jables
