

All Night Long (Acoustic)

[Will Hoge](#)

Katie's got a new dress, she wears too tight
Her daddy said, "No"
But her momma said, "It's alright"
Let 'em fuss and fight She don't care what they says right or wrong
She's gonna stay out all night long, all night long She don't care about books or school
No, she just wants to rock and roll
Baby, she's no fool
You're so cool She don't care what they says right or wrong
She's gonna stay out all night long, all night long Well I know the way you feel now
Baby, can't you see
Well I know the way you want your
Little tangled web to weave Black lipstick
She got a fake ID
You know the one that says, "Mrs. Jones is turning 23"
Oh baby, take a look and see She don't care what they says right or wrong
She's gonna stay out all night long, all night long
She's gonna stay
She's gonna stay out all night long
