

Dynasty (Elephante Remix)

Miia

Some days
It's hard to see
If I was a fool
Or you a thief
Made it through the maze
to found my one in a million
And now you're just a page torn from the story I'm living
And all I gave you is gone
Tumbled like it was stone
Thought we built a dynasty that heaven couldn't shake
Thought we built a dynasty, like nothing ever made
Thought we built a dynasty forever couldn't break up
The scar, I can't reverse
And the more it heals, the worse it hurts
Gave you every piece of me
No wonder its missing
Don't know how to be so close to someone so distant
And all I gave you is gone
Tumbled like it was stone
Thought we built a dynasty that heaven couldn't shake
Thought we built a dynasty, like nothing ever made
Thought we built a dynasty forever couldn't break up
It all fell down
It all fell down
It all fell
It all fell down
It all fell down
It all fell
It all fell down
It all fell down eh
It all fell down
It all fell down
It all fell down
And all I gave you is gone
Tumbled like it was stone
Thought we built a dynasty that heaven couldn't shake
Thought we built a dynasty, like nothing ever made
Thought we built a dynasty forever couldn't break up
It all fell

It all fell down
It all fell down eh
It all fell down
It all fell down
It all fell down
(And all I gave you is gone)
It all fell
It all fell down
It all fell down
Thought we built a dynasty forever couldn't break up
