

Solve et Coagula

Matema

Fire, fire
I dissolve and solidify
Destroy to recreate
Disassemble to assemble something pure
Our rubic sol-ve-et-co-ag-u-la
Kill to be born again, cycled a thousand times
Fire, planetary alchemy
Fire, the time is here now
Fire, four corners to rise
Fire rise
Fire, there's always loss within
Fire, the cleansing it's time
Fire, shooting arrows to the sky
Fire
I construct a new institution
Not out of bricks, iron, cement, concrete
Or steel
Our rubic sol-ve-et-co-ag-u-la
Distill to purify
We've done it a thousand times
Fire, planetary alchemy
Fire, the time is here now
Fire, four corners to rise
Fire rise
Fire, there's always loss within
Fire, the cleansing it's time
Fire, shooting arrows to the sky
Fire
Burn, bleed all the lives of life, ascend to the sky
Burn, all the martyrs
Burn, bleed all the lives of life, ascend to the sky
Fire, planetary alchemy
Fire, the time is here now
Fire, four corners to rise
Fire rise
Fire, there's always loss within
Fire, the cleansing it's time
Fire, shooting arrows to the sky
Fire
