Lost Boy

Total Chaos

Well I'm a lost boy who dropped outta school
No way - no time
I'm a lost boy who defies all the rules
All day - all night
I'm a lost boy who likes to fight
That's right - we'll fight
I'm a lost boy with a fucked-up life
To drunk tonight

See through the eyes of a lost boy
Oh oh...oh oh
I'm living the life of a lost boy
Oh oh...oh oh
