Makes Me Happy

Matt White Band

hello let's go
everybody must know
love's in my heart like a bomb
It's blowing a song inside I'm singing
sunshine that your bringing now and it makes me happy
Listen to the radio playin back in stero
Sounds like my favorite song
I'm humming along my head is ringing
And I just can't stop singing now cause it makes me happy
it makes me happy
You're everything I need, handed from above
I can't get enough of your love
Cause it makes me happy
it makes me happy
Living in a day-dream
I'll show you what it all means
Spending some time in the sun
Let's get up and run it's just beginning
And I just can't stop singing now
Cause it makes me happy

Like a fantasy that you never find
Right in front of me all the time
And it makes me happy
I want it all but not too much I wanna feel the way you touch me
I'm the kind of guy who's always there to come and find you
Save the raining days for another time
I'm just here to say read between the lines
I'm so glad that your mine
Cause you make me happy
you make me wanna sing
do do dododododo
do do do do
do do dododododo
do do do do
do do dododododo
do do do do
do do dododododo
do do do do

do do dodododo
do do do do
