

# The Script for My Requiem (Demo) [Remastered]

## Blind Guardian

Hallowed be the fatherland, God he knows  
How long I'd been away, from here I did start  
For a search so full of dease  
I still hear my cry outs from the old cellar's insideBorn in the days of medieval  
My inner voice is alway asking whyI came from nowhere  
Without a task, without a name  
No fear of evil fate  
So God please lead me throughForgotten realms, mysterious dreams  
In sunless rooms I'd sworn  
I'll finish what I started, once  
I'll find my holy grail in the holy landReturning of the miracles  
It's my own requiem  
The jester's tears, they are inside me  
Agony's the script for my requiemReturning of the miracles  
It's my own requiem  
Is the script already written  
Jester's tears I cry, yes, I cryI went out of my mind in desert lands  
Insanity's pawn out of control  
Much too long, I've been isolated  
From my thoughts enclosed by the leader's spell  
Bewildered to Marc as a glory knight and I triedStill I hear the scream of thousands  
"Crucify, crucify take it all  
Our gold, our home, our life  
But we didn't kill your Christ  
Reach out for your holy grail  
Enslave us and make us your God's sacrifice"Returning of the miracles  
It's my own requiem  
The jester's tears, they are inside me  
Agony's the script for my requiemStill I'm confused if I was dreaming  
Too late I realized I'd been another fool  
I pay the priceReturning of the miracles it's my own requiem  
The jester's tears they are inside me  
Agony's the script for my requiem  
Returning of the miracles it's my own requiem  
Is the script already written jester's tears I cry
