

# Runaway Train

## Stray Cats

Well I fell down on the barroom floor  
Well the bartender said don't come in here no more  
I passed out in the parking lot  
They took one look at me and said look what we got Well knocked out drunk, passing time  
I bought a one ticket on a two way line  
How come every single girl I've ever met  
Wants to know about things that haven't happened yet Well making love to you is like a mystery date  
I'm always early and you're always late  
Things are just never going to be the same  
Making love to you is like a runaway train Illinois central, Southern freight  
I'm comin' round a-baby, don't you hesitate  
Can't you hear the train coming down the track  
Once I'm leaving now, I'm never coming back  
Things are just never gonna be the same  
Making love to you is like a runaway train Well making love to you is like a mystery date  
I'm always early and you're always late  
Things are just never going to be the same  
Making love to you is like a runaway train I don't know but I think I've lost my mind  
Every time that I'm with you I hear that train coming down the line  
I see the train a-coming and it's right on time  
We got a third rail love with a one track mind  
Well can't you hear the train a-coming down the track  
I ain't stoppin' now, I'm never coming back  
Things are just never gonna be the same  
Making love to you is like a runaway train
