Little Girl Shoes

Smog

Your little girl shoes
I was attracted to your
Little girl shoes
I was distracted by your
Little girl waysAnd that little boy hat
Did you have to wear that
In combination with those
Little girl shoesDismantled in the lab
Your shoe is cold leather
Your foot is beastly calloused
Closer to cloven (yeah)But... Paw plus shoe
Equals i don't know what to do
And does the girl imitate the woman
Or the woman imitate the girl
