

Write To Me from Naples

Dean Martin

[Choir]

I can hear a mandolino Write to me from Naples

Write me every day

I love you and Naples

More than words can say

Call me Cara Mia

Tell me all that's new

Write to me from Naples

Keep my heart with you [Choir]

I can hear a mandolino Softly entice

While I raise a glass of vino

Praising your eyes

Since we said Arrivederci

My poor heart cries

For a letter from you

Write to me from Naples

I love you and Naples

Call me Cara Mia

Tell me all that's new

Write to me from Naples

Keep my heart with you

Keep my heart with you
