Lines

RyFul

Passing time
You've come so far but you're still behind
You'll lose your mind if you cut this line
It's just the way it's been
All your friends and all their sins
Passing time
Don't fall behind, I will come for you
If you call, I'll come right now
I will help you see through
All your pain and troubled times
Just you know I'll be there if you ever decide to call
Passing time
All your addictions are so sublime
You lose your mind if you cross the line
I'll be there for you if you ever call
I'll be there for you any time at all
Passing time
You've come so far
Just passing time
