Cross My Heart

El Debarge

Yeah I go again
Trap in my identity
My reputation
Always goes ahead of me
I'm not the one you love (know)
No! I'm the one you've heard of before you walk away
It's one more thing I need to say
I love you baby, I cross my heart,
I need you babe I cross my heart
Open you heart and you will be give to all and open to me
Cause I love you babe, I need to you babe
I cross my heart I'm about to die (ooh, ooh ah)

Love is a blessing babe,
Love has made a changing me I'm not the same man,
I'm not the one who I used to be
I know the price I had to pay
I already will go with you all the way,
No need to worry this time you can be sure
That I love you babe, cross my heart,
You know that need you babe
Open your heart and you will be,
Give it all you open to me
Cause I love you babe (I cross my heart),
I need you babe (I cross my Heart),
I cross my heart I'm about to die, (ooh, ooh, ah)

Ooh, it's alright
Ooh!
As soon as you can it's soon will be over
Just for a while, (you're not one for me)
Yeah, getting louder
You're having another chance

Oh, love will be just a sand to open the fire and be the man.
I always wanted babe, I need you babe
I love you babe, hey!

Papapara, la la la la, papara

Oh, yes I could
I love you baby, I cross my heart
Need you baby, across my heart
Ooh, I love you baby, I cross my heart
Need you baby, across my heart

I love you baby, I cross my heart
Need you baby, across my heart
Ooh yes I do!
Ooh, ooh, aah, I love you baby, I cross my heart
Need you baby, across my heart

Open your heart and you will be,
Give it all you open to me
Cause I love you babe (I cross my heart),
I need you babe (I cross my Heart),
I cross my heart I'm about to die
(you'll die, you'll die, you'll die ooh, ooh, aah)

Oh, yes I would
(oh, you just don't understand how much I love you babe)
