I'm No Gold (Daniel Miller Radio Mix)

Liars

I, I'm gonna loose you
And the goods, I'm gon' give, just gon' give ya
I can't leave you
I'm not gold,
I'm not gold,
I'm not gold,
I'm not gold,
I'm just love
You are wild
You are wild
You are wild
You are wild
Talking to me clearly, you are my world
I would do the same
You can dream hard, you know who you are, yes I felt it
Take my word,
Take my word,
Take my word,
Take my word,
Take my word,
I'm going to my peers, I'm not loosing, my world
I will do the same
You can dream hard, you know who you are, yes I felt it
Take my word,
Take my word,
Take my word,
Take my word,
Take my word,
I thought that Christmas would turn into winter
Let the rain in, our kingdom
It goes to miss up to the offers
