

# Police Oppression (Angelic Upstarts)

## Defiance

I just cant take much more of this oppression  
im going out of my head and its war not oppression  
im gonna go out for a war  
im gonna sit down and have talk  
there asking me how and there asking me why  
have u ever seen grown men crypolice police police oppression, police police police oppressionreally find it  
hard even walking round the streets  
hey i know u son ill knock u off ur feet  
same number a million times before,  
shut ur mouth son or ill knock u on the floorpolice police police oppression, police police police oppressionI just  
cant take much more of this oppression  
im going out of my head and its war not oppression  
im gonna go out for a war im gonna sit down and have talk  
there asking me how and there asking me why have u ever seen grown men crypolice police oppression police
