Dollskin

Toadies

In the middle of a house
In the middle of nowhere
Bodies glide
From room to room
Well, I hate these walls
They speak to me
Hey, skin like a doll
You're no friend of the family
Catch that light, yeah
It falls in subtle patterns
It crawls in and tells them
When their time is up
And when it's over
He takes her hand
And he kisses her cheek
She's a doll, oh yeah she's his spitting image
Where have you gone?
You're still a part of me
Hey, skin like a doll
You're no friend of the family

Catch that light, yeah
It falls in subtle patterns
It crawls in and tells them
When their time is up
When it's over
When it's over
When it's over
Now it's over
Now it's over
Yeah
Catch that light, yeah
It falls in subtle patterns
It crawls in and tells them
When their time is up
When it's over
Where have you gone
You're still a part of me
