

On The Sea

Beach House

Out on the sea we'd be forgiven
Our bodies stark the spirit living
Wouldn't you like to know how far you've got left to go
Somebody's tried nobody made you
It's not what you stole it's what they gave you
In or out you go
In your silence your soul
Would you rather go unwilling
The heart is full and now it's spilling
Barreling down the steps
Only a moment left

In hand of sun no peace of mind
Where you begin and I'm defined
Daughter of unconscious faith
Time will tell in spite of me
In hand of sun no peace of mind
It begins and we'll be fine
Shadows bend and suddenly
The world becomes
And swallows me in
Whistle to a friend
Gentle to the end
