

# I Got You (At the End of the Century)

[Wilco](#)

Got you and it's all I need  
Got you and it's all I need  
Got you and it's all I need, got you I got you and I still believe  
That you're all I'll ever need  
It's you all All the way back in the seventies  
You were my little T.V queen  
Your Tarzan and your friend Janine, got you I got you and I still believe  
That you're all I'll ever need  
It's you all It's the end of the century  
I can't think of anything  
Except you It's the end of the century  
And I can't think of anything  
But you, all, all I need I got you, I got you, babe  
I got you, you  
I got you, I got you, I got you
