

# The Climb

## Joe Mcelderry

I can almost see it, that dream I'm dreaming  
But there's a voice inside my head saying you'll never reach it  
Every step I'm taking, every move I make feels  
Lost with no direction, my faith is shaken  
    But I, I gotta keep trying  
    Gotta keep my head held high  
There's always gonna be another mountain  
    I'm always gonna wanna make it move  
    Always gonna be an uphill battle  
    Sometimes I'm gonna to have to lose  
    Ain't about how fast I get there  
    Ain't about what's waiting on the other side  
    It's the climb  
The struggles I'm facing, the chances I'm taking  
    Sometimes might knock me down but no, I'm not breaking  
    I may not know it, but these are the moments  
That I'm going to remember most, yeah, just gotta keep going  
    And I, I gotta be strong  
    Just keep pushing on 'cause  
There's always gonna be another mountain  
    I'm always gonna wanna make it move  
    Always gonna be an uphill battle  
    Sometimes I'm gonna to have to lose  
    Ain't about how fast I get there  
    Ain't about what's waiting on the other side  
    It's the climb, yeah, yeah  
There's always gonna be another mountain  
    I'm always gonna wanna make it move  
    Always gonna be an uphill battle  
    Sometimes I'm gonna to have to lose  
There's always gonna be another mountain  
    I'm always gonna wanna make it move  
    Always gonna be an uphill battle  
    Sometimes I'm gonna to have to lose  
    Ain't about how fast I get there  
    Ain't about what's waiting on the other side  
    It's the climb  
There's always gonna be another mountain  
    I'm always gonna wanna make it move

Always gonna be an uphill battle  
Sometimes I'm gonna to have to lose  
Ain't about how fast I get there  
Ain't about what's waiting on the other side  
It's the climb
