

Push

Venture

Well I don't know where I'm going
But I hope that its not far
Because I know when I get there
I wont find a place to start
I could never seem to make you
Never seem to make you
Never seem to make you see
I could never seem to get through
I'm trying to forget you
Now I see
Will you show me the rest of the way?
At least tell me where to go
All the answers you give me
I cant seem to make
Sense of what I should know
Everything that you take
Away from me
It seems as if I'm
Running out of time
At least that's what I'm told
But now I know where I'm going
Now that you are out of the way
My life is constantly changing
And that's all that you have to say
I could never seem to make you
Never seem to make you
Never seem to make you see
I could never seem to get through
Now I see because now I see
Will you show me the rest of the way?
At least tell me where to go
All the answers you give me
I cant seem to make
Sense of what I should know
Everything that you. take. a
Away from me
It seems as if I'm
Running out of time
At least that's what I'm told

But now I see where I'm going
And I don't need you to light the way
The path is constantly changing
But at least now I won't be afraid...I won't be afraid!
