

# One Life

## Hedley

Oh woah, One life  
Oh woah, One life  
Oh woah, One lifeOne chance, two lips, free falling  
We're about to lose our grip now  
Five minutes too late  
Can't be messing with fate  
It's time to get loud  
Cause we've been up  
When we should've been sleeping  
We've been down  
When we could've been high  
We'll come alive, tonight  
Woah!  
It's a great big world, and you'll see  
It could pass you by at light speed  
You got one life, one life  
Don't stop; don't stop live up  
Woah!  
If it's the last night in these streets  
You'd be a fool to take a seat  
You got one life, one life  
Don't stop; don't stop live it up  
Oh, woah, One Life  
Don't stop; don't stop live it upLast thing you wanna make  
Is your first mistake  
But it's too late now  
So get up, get ready  
Not everybody's ready  
Not offence to you anyhow  
Cause we've been up when  
When we should've been sleeping  
We've been down  
When we could've been high  
We'll come alive, tonight  
Woah!It's a great big world, and you'll see  
It could pass you by at light speed  
You got one life, one life  
Don't stop, don't stop live up  
Woah!

If it's the last night in these streets  
You'd be a fool to take a seat  
You got one life, one life  
Don't stop, don't stop live it up  
Oh, woah, One Life  
Oh, woah, One Life  
Oh, woah, One Life  
Don't stop, don't stop live it upIf you stop and think  
You might start to sink  
You can't get it  
If you don't keep giving  
Can't get it if you don't  
Keep giving  
Oh!It's a great big world, and you'll see  
It could pass you by at light speed  
You got one life, one life  
Don't stop, don't stop live up  
Woah!  
If it's the last night in these streets  
You'd be a fool to take a seat  
You got one life, one life  
Don't stop, don't stop live it up  
Oh, woah, One Life  
Oh, woah, One Life  
Oh, woah, One Life  
Don't stop, don't stop live it up  
Oh, woah, One Life  
Oh, woah, One Life  
Oh, woah, One Life  
Don't stop, don't stop live it up  
Don't stop, don't stop live it up
