What If

Lene Marlin

What if I don't wanna move on
If I like it as it is
Wanna keep it like this, for a while...forever
Just let me lie close to you
Don't wanna let you go, don't wanna let you goIf I said I want you, if I said I need you
If I said I love you, what would you do
If I said I want you, if I said I need you
If I said I love you, what would you doWhat if I don't wanna forget
Don't want anyone but you
Believe me, it's true, for a while...forever
Just let me stay here with you
I don't wanna leave, I don't wanna leaveIf I said I want you, if I said I need you
If I said I love you, what would you do
If I said I want you, if I said I need you
If I said I love you, what would you doAnd I thought I could, let this go
I thought I would, but now I know
Now I know...If I said I want you, if I said I need you
If I said I love you, what would you do
If I said I want you, if I said I need you
If I said I love you, what would you do
