## Let the River Run

## **Carly Simon**

We're coming to the edge
Running on the water
Coming through the fog
Your sons and daughtersLet the river run
Let all the dreamers
Wake the nation
Come, the new JerusalemSilver cities rise
The morning lights

The streets that meet them

And sirens call them on with a songIt's asking for the taking

Trembling, shaking

Oh, my heart is achingWe're coming to the edge Running on the water Coming through the fog

Your sons and daughtersWe the great and small Stand on a star

And blaze a trail of desire

Through the darkening dawnIt's asking for the taking

Come run with me now

The sky is the color of blueYou've never even seen
In the eyes of your lover

Oh, my heart is achingWe're coming to the edge Running on the water Coming through the fog

Your sons and daughtersIt's asking for the taking Trembling, shaking

Oh, my heart is achingWe're coming to the edge
Running on the water
Coming through the fog

Your sons and daughtersLet the river run
Let all the dreamers
Wake the nation

Come, the new Jerusalem
