Partyline 555 On-line

5ive

We got the flow for ya area
check this thing out (uh,uh)
(haha)Gotta rock it wit da skills now[Chorus]
Let's have a party
connect me to somebody
Let's have a party
connect me to somebody
555 onlineBeing the man that I am
and the click that I got
I wish it was a little bit more
like super copIt's a frenzy
My friends be like Benz's to Bentley
this bad boy's not bad
so why don't you comprendeI've got your number
don't you think it's time we hook it up I'm home alone, ain't no moms in my area can't go to your place
cus your mum's hysteria
you want to bring some of your friends, the more the merrier[Bridge:] You got my number on your dial
Waiting, just to come around
Anytime, anywhere (ready to go baby)
Whatever's pleather
Mini skirts, high shoes and leather tonight's the night
Do me right and turn me on
Now Michelle's got the body
Julie got the the back
Lisa got the energy
to help me stay on trackLet's have a party
connect me to somebody
Let's have a party
connect me to somebody
555 onlineI'm not talking bout the ladies
Who love to lead you on
Say they got you number,
But they never ever call
Like Eva the honey dip,
Now I don't even wanna trip
Gave her my number
Her man gave me da fat lip
Now I don't bother calling anyone anymore slipping the finest chauffeur driven
and I'm getting calls

555 ladies love the cool J
No Mr Smith in this baby
come get the real thingYou got my number on your dial
Waiting, just to come around
Anytime, anywhere (ready to go baby)
Whatever's pleather
Mini skirts, high shoes and leather tonight's the night
Do me right and turn me on
Now Michelle's got the body
Julie got the the back
Lisa got the energy
to help me stay on trackLet's have a party
connect me to somebody
Let's have a party
connect me to somebody
555 onlineNow I got digital and optical
I'm even on the net
I got MMM, ah, oh I forget
cos nothing in this world
like som sexual healing
toss it up baby,
I'm ready, willing, receiving
message understod loud and clear
I'll be there
you got my number on your dial
any time anywhere
whatever's clever,
Mini skirts, high shoes or leather tonight's the night baby
got to get mo wetterGirl you look so fine
just call me any time
you're driving me crazy
can't get you off my mind [X3]Let's have a party,
connect me to somebody
Let's have a party,
connect me to somebody
