

Tell Her This

Del Amitri

Tell her not to go
I ain't holding on no more
Tell her something in my mind
Freezes up from time to time Tell her not to cry
I just got scared that's all
Tell her I'll be by her side
All she has to do is call
All she has to do is call Tell her the chips are down
I drank too much and shouted it aloud
Tell her something in my heart
Needs her more than even clowns
Need the laughter of the crowd Tell her what was wrong
I sometimes think to much
But say nothing at all
And tell her from this high terrain
I am ready now to fall
I am ready now to fall
