

Never Had A Dream Come True

S Club 7

Everybody's got something
They had to leave behind
One regret from yesterday
That just seems to grow with time
There's no use looking back, or wondering
How it could be now or might've been
All this I know
But still I can't find ways to let you go I never had a dream come true
'Til the day that I found you
Even though I pretend that I've moved on
You'll always be my baby
I never found the words to say
You're the one I think about each day
And I know no matter where life takes me to
A part of me will always be with you Somewhere in my memory
I've lost all sense of time
And tomorrow can never be
'Cause yesterday is all that fills my mind
There's no use looking back, oh wondering
How it should be, now oh might've been
All this I know
But, still I can't find ways to let you go I never had a dream come true
'Til the day that I found you
Even though I pretend that I've moved on
You'll always be my baby
I never found the words to say
You're the one I think about each day
And I know no matter where life takes me to
A part of me will always be with you You'll always be the dream that fills my head
Yes you will
Say you will
You know you will oh baby
You'll always be the one I know I'll never forget
There's no use looking back, oh wondering
Because love is a strange and funny thing
No matter how hard I try and try
I just can't say good bye
No no no no I never had a dream come true
'Til the day that I found you

Even though I pretend that I've moved on
You'll always be my baby
I never found the words to say
You're the one I think about each day
And I know no matter where life takes me to
A part of me will always be with you
