

I Wouldn't Wanna Be You

Reba McEntire

You don't have a clue
You're so far gone
He's got you dancin' to
A siren's song[Chorus]
I wouldn't want to be you right now
I wouldn't want to be
I wouldn't want to be you right now
I wouldn't want to be, I wouldn't want to beYou're not the first he's drawn
To his flame
He means to do you wrong
He has no shame[Chorus]It's easy to understand
How you could fall so hard
You're not the only one
He's taken in and torn apartWon't say I told you so
But I'm afraid it's true
You're about to go
What I went through[Chorus]
