Go Back Home

[Stephen Stills](#)

Think I'll go back home
Think I'll go back home
Think I'll go back homeBack where I belong
Think I'll go back homeNothin' for me here
Nothin' for me here, child, no there ain't
Nothin' for me herePeople trapped by fear
And you can't get nearLived with you I felt
Lived with you I felt, child
Lived with you I feltI was by myself
I was someone elseBabe, come home with me
Babe, come home with me now
Babe, come home with meAnd I'll make you see
Yes, I'm gonna set you freeWhen I woke up this morning
I found that I was alone, yeah
Till I called your number
They told me there's no one home againWell, baby, what does it mean?
Is it like it seems?
