

Party All Day

Steel Panther

When I was only three,
My mom said to me,
"Don't go to school with a skanky ho,
Or you're gonna get VD"

When I was seventeen,
I boned a kooky bitch
A couple days later, my balls swelled up,
And my crotch began to itch

But that's when I totally knew,
What God wanted me to do,
Whooooaa!

Whoa, ohhh, oh oh, hey, hey, hey!
Fuck all night, and party all day!
Whoa, ohhh, oh oh, hey, hey, hey!
Fuck all night and party, all day

(Check it out)
Now I'm in a bitchin' band,
And I'm banging every nun
I don't care if she's a trailer ho,
And she's got big freakin eyes.

I get up in the afternoon,
'Cuz I ain't got a stupid job
I drink some beer and I watch cartoons,
While the slut polishes my knob

Smoke and drink in school,
That's what I was born to do,
Whooooaaa!

Whoa, ohhh, oh oh, hey, hey, hey!
Fuck all night, and party all day!
Whoa, ohhh, oh oh, hey, hey, hey!
Fuck all night and party, all day

Now God's looking down on me,

Saying, "Hey man, way to pay!" (?)

Whoa, ohhh, oh oh, hey, hey, hey!

Fuck all night, and party all day!

Whoa, ohhh, oh oh, hey, hey, hey!

Fuck all night and party, all day

Fuck fuck fuck yeah,

Fuck yeah!

Fuck yeah, dude
