Changed My Mind

Todrick Hall

I'm sick of biting my tongue
I'm sick of hiding in eggshells
Hurting like hell underneath my feet
Some times I just wanna run
I'm sick of trying to live life on the edge of a broken scene
But it's time for the glass to crack
'Cause I love imperfection
Even facts should be questionedI know I said I'd play by the rules
Do what they want me to do
And I'd color inside the lines
But I lied, I changed my mind
And I'm all outta fucks, don't care
Middle fingers up in the air
I know I said I'd rather live a lie than die
But I changed my mind
But I changed my, changed my, changed my, changed my, changed my mind
But I changed my, changed my, changed my, changed my, changed my mind
Changed my mind, oh I changed my, changed my, changed my mind
Changed my, changed my, changed my, changed my mindNo more comparing myself
No more competing
The only one I'll answer to is me
I left my fucks on a shelf
Sitting there next to your vision
Your religion, I don't believe
You can try to clip my wings
But I'll fly on the ground
Gravity won't hold me down
I know I said I'd play by the rules
Do what they want me to do
And I'd color inside the lines
But I lied, I changed my mind
And I'm all outta fucks, don't care
Middle fingers up in the air
I know I said I'd rather live a lie than die
But I changed my mindBut I changed my, changed my, changed my, changed my, changed my mind
But I changed my, changed my, changed my, changed my, changed my mind
Changed my mind, oh I changed my, changed my, changed my mind
Changed my, changed my, changed my, changed my mindBut I changed my
Changed my mind, oh I changed my, changed my, changed my mind

Changed my, changed my, changed my, changed my mind
