Never Shout Never

Advisory - the following lyrics contain explicit language:

I can't believe
That I could believe that
I can't believe
You left me for dead man'Cause I called you my friend
My best friend at that
I know that I'm loud man
But give me another chance I promise to keep this
Damn snout shut for you
But only for you
'Cause I love you I should've seen the boredom
In your eyes
You dropped me off and you said
Your goodbyes 'Cause dad, I called you my friend
My best friend at that
I know that I'm loud man
But give me another chance I promise to keep this
Damn snout shut for you
But only for you
'Cause loved you I saw man
On the side of the road
He said, "Take my hand
That man threw me a bone" 'Cause one man's trash
Is another man's treasure
The way that he made me
Feel was better then ever
He told me he loved me
He meant it forever I love him 'cause he loves me
And all I've ever wanted was to feel love
