Resurrection

Holyhell

I ran too far
Fought too hard and lived too fast
It brought me down, tore me upSo I buried myself
Deep down in the blackest hole
Where I've slept and I've weptAll these tears I've shed
Slowly heal my bleeding soul
It takes a fall to rise againInside of me
I'm ready to grow young again
Start the fire in this heart of iceThe time is right for me again
So lift your eyes up to the sky
You'll see me dancing on the winds againThere are no more tears for me
Bring life to empty eyes
I will be once again
The tears from heaven danceTears from heaven fall
Angels' dance before my eyes
As I reach out from this wombGod save this world
I will walk upon it again
I will breathe and I will live!The time is right for me again
So lift your eyes up to the sky
You'll see me dancing on the winds againThere are no more tears for me
Bring life to empty eyes
I will be once again
The tears from heaven danceThere are no more tears for me
Bring life to empty eyes
I will be once again
The tears from heaven danceThere are no more tears for me
Bring life to empty eyes
I will be once again
The tears from heaven danceThere are no more tears for me
Bring life to empty eyes
