

Ghost Man On Third - Acoustic 2011

Taking Back Sunday

Jynx me something crazy
Thinking if it's three
Then I'm as smooth as the skin
Rolls across the small of your back
It's too bad it's not my style
If you need me
I'm out and on the parkway,
Patient and waiting for headlights,
Dressed in a fashion that's fitting to the
Inconsistencies of my moods

It's times like these where silence means everything
And no one is to know about this
It's times like these, where silence means everything
And no one is to know about this

It's a campaign of distraction
And revisionist history, oh

It's a shame I don't think that they'll notice
(it's a shame, I don't think that they'll notice)
It's a shame I doubt they even care
(it's a shame I doubt they even care)
No one is to know about this

It's a shame I don't think that they'll notice
(it's a shame, I don't think that they'll notice)
It's a shame I doubt they even care
(it's a shame I doubt they even care)
Don't let me down

But whatever I have gettin myself into
Maybe has been slicing inches from my waist
It's my fist vs. the bottle
(and thank god you weren't there...)
And that's how bad could this hurt
Or against I won't feel a thing
(and thank god you weren't there...)
I tell you all about it
It's just not working out

(...to watch me hit the bottle)

Not working out

It's a campaign of distraction

And revisionist history, oh

It's a shame I don't think that they'll notice

(it's a shame, I don't think that they'll notice)

It's a shame I doubt they even care

(it's a shame I doubt they even care)

No one is to know about this

It's a shame I don't think that they'll notice

(it's a shame, I don't think that they'll notice)

It's a shame I doubt they even care

(it's a shame I doubt they even care)

Don't let me down

This is why we were taught so much better than this (2X)

This is what living like this does (9X)
