

Stay

Mary J Blige

i've done met so many
i've done lost so many
been hurt by somebody
i have hurt somebody
i've been in the cold
boy but now i know you're the one i want
i ain't letting go
cos i feel the love
yeah i feel your love
and i ain't worry bout it boy cos i'm so in love
don't know what it was but it must be love
i hope you stay ay ay forever
just stay in my life
ain't nobody i wanna see but you you you
just stay in my life
ain't nobody i wanna be with boy but you you you
it took me a minute but now i know what i'm talking about
once i got it i wanna tell the whole world about it (yeah yeah)
i got you in my life, happy you're in my life
please stay in my life (yeah babe)
i have played the fool
yeah i've played a few
but boy in the end there's no games with you
i was in the rain but you moved the clouds
now i ain't the same
wanna say it loud
cos i feel your love
yeah i feel your love
and i ain't worry bout it boy cos i'm so in love
don't know what it was but it must be love
i hope you stay ay ay forever

just stay in my life
ain't nobody i wanna see but you you you
just stay in my life
ain't nobody i wanna be with boy but you you you
it took me a minute but now i know what i'm talking about
once i got it i wanna tell the whole world about it (yeah)
i got you in my life, happy you're in my life

please stay in my life (yeah babe)
stay, stay, stay, stay, stay, stay, stay, stay
stay in my life, boy just stay up in my life
stay in my life, boy just stay up in my life babe
stay in my life, boy just stay up in my life
boy just stay up in my life
just stay in my life
ain't nobody i wanna see but you you you
just stay in my life
ain't nobody i wanna be with boy but you you you
it took me a minute but now i know what i'm talking about
once i got it i wanna tell the whole world about it (yeah yeah)
i got you in my life, happy you're in my life
please stay in my life (yeah babe)
stay in my life, won't you stay up in my life
stay in my life, won't you stay up in my life
won't you stay up in my life
stay in my life, baby stay up in my life
stay in my life, won't you stay up in my life
stay in my life, stay in my life
took me a minute but now i got it
stay, stay, stay, stay, stay, stay, stay
wanna tell the whole world about you baby, baby, baby
