

# Wheel of Fortune

## Arlo Guthrie

Rolling, wheeling like I'm feeling  
Everything's gonna carry on  
You go your way, I'm going my way  
We will come and so be goneWheel of fortune, turn for me now  
    Turn to trouble in the West  
    Wheels of completion rolling  
Wait to put my mind to restRolling, wheeling like I'm feeling  
    Everything's gonna carry on  
    You go your way, I'm going my way  
We will come and so be goneHey, Ezekiel, you can leave now  
    You got to go or stay so long  
    While your wheels just keep turning  
Turn to rhythm right and wrongRolling, wheeling like I'm feeling  
    Everything's gonna carry on  
    You go your way, I'm going my way  
We will come and so be goneWheel of fortune, turn for me now  
    Turn to trouble in the West  
    Wheels of completion rolling  
    Wait to put my mind at rest
