

Arms of Love

R.E.M.

Maybe tonight you're achin'
For someone you're dreamin' of
Tomorrow you'll be wakin
Into the Arms, into the arms of LoveMaybe tonight you're cryin
Like a poor wounded dove
Tell me you'll soon be flying
Into the Arms, into the arms of loveMaybe tonight you're takin
You couldn't get enough
Honey you'll soon be wakin'
Into the Arms, into the arms of LoveMaybe the world is falling
It wasn't strong enough
Tell me you'll soon be crawling
Into the Arms, into the arms of Love
(repeat to end)
