

Catfish

Joe Cocker

Ziping, I'm ziping, I'm zippin'
Soon as they come out, I'm dippin'
Big ass closet, I'm trippin'
Big booty strippers, I'm tippin'
Big ass chain, I'm heavy
And it didn't cost me a penny
They pay me to rock it
Damn, I got niggas in pocket
Superbowl, Grammys
What a hell of a jammie!
All these bitches my sons
I'ma get 'em a nanny
Argentina for Pepsi, Orlando All-Star
Fuck you said, bitch, fuck you, porn star
I don't do shotgun, I be driving my own car
I don't do shots, neither, I'm buying the whole bar
Holy moly G copped me a Rolly
I ain't catchin' the puck but I'm iced out like a goalie, nigga I'm in the HOV lane
I'm in the HOV lane
And you, you, you? Soul Train I'm in the HOV lane
I'm in the HOV lane

And you, you, you? Soul Train I'm in the HOV lane

And you, you, you? Soul Train I travel more than you walking with a basketball
I'm out in Spain, running games with the El Matador
I'm in my own lane, you ain't in my categor
You like a Rav 4, I'm like the aventador
Berkin bags, man I murk them ads
When I re-up on reloaded, I'ma hurt them bad
Every shoot is hot, when I'm out, I'm spotted
They gone frame the receipt if I sign the dotted
Niggas on Banshees is speedin'
Dirt bikes is out for the season
Back break wheelie and leanin'
Damn, a bitch late for a meetin'

Double our engine hummin'
