

# Left Hand Paints

## Blind Myself

Picture is incomprehensible  
The reptiles want to solve the riddle  
Don't like it? Then cry and hate it.  
The rebels want to imitate itTry your own neck to strangle  
Force the cube into the circle  
Be aware! Beware!  
Put your brain into a wheelchair  
Watch your TV -and stareRape your own brain  
And get a migraine  
Rape  
Your  
Own  
Brain  
BrainI am painting again with joy  
Feel it and accept itSensual nonsense  
Senseless truth  
Emotional pretence  
Rational defenceTry your own neck to strangle  
Force the cube into the circle  
Be aware! Beware!  
Put your brain into a wheelchair  
Watch your TV -and stareRape your own brain  
And get a migraine  
Rape  
Your  
Own  
Brain
