

Savage Dominance

Midnight

Stalking the prey is near
Begging for mercy you won't hear
Tyrant with an iron will
Conquer ride out for the kill Animal bestial, Savage dominance!
Vicious temptress, Savage dominance! Strangle gasping for air
Locked in trapped in her lair
Razor claws with ease
Strike now sing your teeth in me Animal bestial, Savage dominance!
Vicious temptress, Savage dominance! Hunger feed your appetite
Unleash slaves to the night
Master in complete control
Burial deep in the hole
Animal bestial, Savage dominance!
Vicious temptress, Savage dominance!
